The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'aakash nandha's Accou...'. Below this, the 'Dashboard' section is visible, featuring a 'For you' section with several service tiles. These tiles include 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'IBM Watson Internet of Things Platform' (Communicate with connected devices, monitor and analyze data in real time, connect your own IoT apps and add Watson AI to the solution), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your your own protected space in the IBM Cloud), and 'Incorp your pi' (Shorter, reliable, the cor DevOp). Each tile has a 'Getting started' button and a duration (e.g., 15 min, 2 hr, 2 min, 7 min). Below the 'For you' section, there are three main sections: 'User access' (Manage users), 'News' (View all), and 'Planned maintenance' (View all). The 'News' section highlights 'SLSA Support in IBM Cloud Continuous Delivery' and 'WebSphere Application Server Support Restatement'. The bottom of the dashboard shows a Windows taskbar with the search bar, taskbar icons, and system tray information (29°C Cloudy, 15:42, 15-11-2022).

IBM Cloud Account has been created successfully.
